Section & Indicator Number	Visiting Team Concern and Recommendation	Target School Year	School Year Addressed	Action Taken

Part III and Part IV are also to be completed by Ongoing Improvement schools

Part III: Recommendations made by the visiting team on the school Improvement Plan:

Section & Indicator Number	Visiting Team Concern and Recommendation	Target School Year	School Year Addressed	Action Taken
Standard 1	ECC philosophy emphasizes learning through play but this is not consistently observed in all of the classrooms.	2014-2015	2014	Kindergarten readiness speaker meet with preschool teachers. Staffing changes have corrected this concern.
Standard 1	Mission statement and Christian philosophy are not prominently and consistently displayed.	2015-2016	2014-2015	Statements are all displayed on classroom doors. There is an altar area in each classroom along with a Jesus bulletin board and posters.
Standard 2	Inconsistency of reliable technology places stress and frustration on teacher as they try to communicate with parents.	2014-2015	2014-2015	Technology has been upgraded and is much more reliable.
Standard 3	Process not in place to insure annual evaluation for the director is completed.	2016-2017	2015-2016	New governance model went into effect at the church and evaluations are being completed
Standard 3	Continue to refine the needs assessment process so that it can better serve the Center as an improvement tool.	2015-2016		
Standard 3	Intra-building communication reportedly is inconsistent.	2014-2015	2014-2015	Communication practices have been reviewed.
Standard 4	All teachers do not have at least one early childhood professional membership.	2016-2017		
Standard 6	There is a safety concern about a slab of sidewalk just outside the gate to the play area which have "heaved" over the winter.	2014	2014	Sidewalk leveled
Standard 6	There is a perceived need to increase the learning experiences available in the outdoor playground.	2014-2015	2014-2015	Playground learning centers have been added.
Standard 7	Visiting team has noted some discrepancies in the implementation of the learning philosophy.	2014-2015	2014-1015	Learning philosophy has been reviewed and staff are consistent in the using our philosophy.

Part IV: School Improvement Plan Completion Report: .

Goal 1 - Connect

The Center has broadened its' horizon by exhibiting sustainable and engaging relationships among and between the various communities.

Goal Obj. Strategy Number	Strategy	Responsible Person or Group	Target School Year	School Year Addressed	Action Taken
A. Cross View is actively involved in procuring community resources for the Center.					
	Contact local community helpers to visit the Center.		2014	2014	Community helpers visited the Center—police and fire department.
	Investigate the use of our local library		2017		
	Visit programs offered for children by our local community parks and rec		2017		
	Develop relationships with the public school system by— →Connect to incorporate kindergarten readiness →Connection with special education resources		2014 2015	2014 2015	Met with kindergarten teacher for Sent teachers to special education workshop. Formed connections with public schools special education staff.
	Investigate providing our own health nurse for the Center and the congregation.		2017		
B. Cross View has fostered relationships with the community to provide an understanding of our ministry.					
	Create MAT – Ministry Action Teams		2015	2015	MAT teams have been implemented and used for various functions.
	Create a “Friends of CVECC” newsletter		2015	2015	Newsletter was created and first publication was sent out.
	Set up volunteer program— →Create list of volunteer opportunities. →Train staff in implementation of		2016 2017		Set up ground work for Helping Hands volunteer group. Looking to unite parents in our volunteer efforts.

	volunteer program. →Communicate need for volunteers →Create volunteer MATS		2017 2017		
	Provide ways for the community to provide donations-- →Set up specific donation needs for ECC Sunday and/or Week of the Young Child →Communicate needs in Clarion and Connect piece. →Work with church leadership to develop an in-reach for the ECC to upgrade curriculum needs.		2016 2016 2016		-Set up donations board for the ECC.
	Communicate the support that is reciprocal between the ECC & CV		2015		
C. Develop a strategy for branding the Center					
	Update the web site.		2014- 2015	2015-2016	New web site has gone on-line. Updates are in place on web page.
	Create new brochure		2015	2016	New brochure has been created.
	Update all materials with new logo and mission statement.		2014- 2015	2014-2015	Materials are being upgraded as we make new copies of them.

Goal 2 - Grow

The staff of Cross View Early Childhood Center has grown and developed competencies across curricular areas to strengthen the curriculum as we meet the needs of the children.

Goal Obj. Strategy Number	Strategy	Responsible Person or Group	Target School Year	School Year Addressed	Action Taken
The Center has participated in the Parent Aware program for the state to achieve a 4 star rating by providing training for staff in all the areas of parent aware					
	Send in application. Apply for training. Send teachers to approved training. Received star rating.		2015 2015 2015- 2016	2016	Sent teachers for training.

			2016		
The Center has set a rotation schedule to address various aspects of the curriculum.					
	New CPH faith curriculum is implemented in the Center. →Purchase curriculum. →Provide workshop and training,		2014 2014	2014 2014-2015	The new curriculum was provided for each classroom. We reviewed the topics and format of the curriculum. We also reviewed goals for the year at our workshop.
	STEM curriculum is seen through-out the curriculum. →Train staff in identification of areas, June, 2015 →Provide training for technology use in the classroom. June 2017 →Incorporate engineering into the program, June 2016 →Review science & math, August 2016		2015 2017 2016 2016	2015	STEM training held fall of 2015 for all staff.
	Social/emotional curriculum is integrated into the school year. →Survey staff to identify strengths and weaknesses →Develop month themes →Train staff to Identify when social/emotional issues are outside of normal development for the child and identify special need for additional services.		2014 2014 2015	2014 2014-2015 2015 2014	Discussion was held to discuss our view and knowledge of this part of the curriculum. Staff attended training on social/emotional development in August of 2014. Monthly themes were developed for the school year. <i>Additional training was held in August of 2015.</i>
Cross View has a strong connection between the curriculum taught and the assessment of the child as they engage in the curriculum.					
	Provide staff with training on the interrelationship of the two pieces. August 2014		2014- 2015		This is on hold as we are evaluating our assessment piece and looking to get a new one.
	Re-write assessment pieces to correlate with curriculum goals. August 2015		2015- 2016		
The Center has made full use of the outside classroom area (playground) to incorporate a variety of learning experiences for the child.					

					2016			
	Develop a toddler area within the yard.				2015		2014-2015	Garden area has been added to the deck.
	Create specialized learning area in the deck area				2015		2015	Added sensory table to playground.
	Improve the science and sensory areas.				2014		2014-2015	Dramatic play and art area added to the playground.
	Incorporate dramatic play area for outside							

**Goal 3: Grow
Technology is fully integrated into the Center and learning environment.**

Goal Obj. Strategy Number	Strategy	Responsible Person or Group	Target School Year	School Year Addressed	Action Taken
	A technology audit is conducted on the Center to understand the needs and areas for improvement.		2014-2015	2014-2015	Audit of materials was completed.
	Investigate additional technology options for server including the service with or without the church.		2014-2015	2014-2015	New server has enabled better connections and improved technology uses.
	Update current technology . a. Send staff to IPAD training. b. Update computers, cameras and IPADS.		2015 2015		Looking into electronic charting program for daily notes and monitoring attendance. Once program is selected, the hardware will be purchased.
	Investigate additional uses for technology in the classroom. a. Staff shall research the best options for use in the Center. b. Demonstrations are sought for the various technology applications.		2016 2016		Looking into electronic charting program for daily notes and monitoring attendance. Once program is selected, the hardware will be purchased.
	Implement technology budget line item. a. Add upgrades for technology to		2015	2015	Technology line item was added to budget.

	budget.				
	b. Interview for IT person.	2016	2015	IT person added for Cross View.	

Goal 4: Serve

We served parents by making them strong school partners in the learning environment of their children.

Goal Obj. Strategy Number	Strategy	Responsible Person or Group	Target School Year	School Year Addressed	Action Taken
Parents are provided greater depth in communication regarding curriculum					
	a. Classroom newsletter detail learning objectives monthly. b. Center newsletter highlights focus of the month in the curriculum. c. Annual fall parent meetings lay out curriculum of the classroom for the year.		2014 2015 2014	2014	We only lightly touched upon this topic. We are focusing the coming year on highlighting our newsletters and communication to parents regarding curriculum. Annual fall meetings included curriculum piece for parents. This will be done each year at fall meetings.
Provide parents with education opportunities.					
	a. Provide special speakers for the parents -Survey parents for best options for timing of special speakers. -Find topics of interest for parents.		2015 2014	2014	Had one scheduled but speaker was not able to meet commitment. WE are looking at setting up two this year and partnering with Thrivent. Did survey to find topics of interest for parent seminars.
	b. Create learning tools to engage parents to be teachers at home. -Create communication piece that address parent issues. -Classroom newsletter will include a monthly connect idea.		2016 2014	2014-2015	Some of the monthly newsletter included parent pieces. Will add more in the following year.
	c. Create learning kits for our families. -Revise cuddle kits with objectives for learning.		2016	2015	Cuddle kits have been updated and literacy has

	<p>-Create new theme kits for each classroom.</p> <ol style="list-style-type: none">1. Survey staff to find topics that parents deal with in the family.2. Find pieces/activities to address the topic.		2017		been a push with the kits.
