

OUR CORE VALUES

Growth

We maintain a consistent focus on growing deeper in our faith by studying God's Word, being faithful in prayer, and obeying God's commands.

Relationships

We seek to love God, one another, and those outside the family of Christ. We rejoice with others in times of celebration and comfort others in times of hardship.

Outreach

We desire to fulfill Christ's great commission to go into the world, telling and teaching about Jesus in the power of the Holy Spirit. We seek to invite and involve those who are unchurched to become followers of Christ and a part of our church family.

Worship

All that we do is to be an act of worship to God. "And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus..." (Colossians 3:17a). Public worship with God's people and personal worship in daily life are central to our faith life as believers.

Service

We strive to understand our God-given gifts, passions, abilities, and experiences, in order to use them in the service of the Lord both inside and outside of our church. We are thankful for our many blessings and endeavor to lead compassionate, Christ-like lives.

GOD'S VISION

To seek and to save the lost
(based on Luke 19:10, "For the Son of Man came to seek and to save what was lost.")

OUR MISSION

To be a welcoming, equipping
and sharing family of Christ.

LAYING A FOUNDATION

Our Savior School is an arm of the Lord's church established to assist parents in teaching their children about the love of Jesus Christ, that through the Holy Spirit, they may come to know Him as their Lord and Savior. Upon this foundation of faith Our Savior School strives to build a child's learning and faith life.

EDUCATING MINDS

Our Savior School, utilizes the abilities of teachers, parents, students, staff, and volunteers, who strive to present students with a challenging, motivating, and innovative curriculum. In combination with the tools and skills necessary to enhance their learning through competent use of technology, students will possess the 21st century skills necessary for high school, higher education, and their future in the work place.

INSPIRING FAITH

Our Savior School, the church, and parents work together in teaching the students the importance and necessity of prayer, devotions, and daily study of God's Word, the Bible. OSS creates an atmosphere of caring and sharing where students learn to respect one another while building the necessary social skills that will enable them, with God's help, to attain success as useful and productive Christian leaders.
