When you submit this form as your Annual Report, please include below a narrative of any significant changes that have occurred in your school during each of the past years. This becomes a cumulative record.

Year 1: During 2018-2019 school year we began planning how we would implement the changes recommended by the visiting team. In Spring of 2019, S. Wippich and C. Tredray went to training on the Genesis model for employee orientation.

Year 2: 1:06 we adapted the Genesis model presented by MN South District and we continue to expand our use. 2: Required indicator we added the non-discrimination statement to meet district guidelines. It has a more prominent location on our website.

Year 3: Our School Board went through a board training. They also approved the budget for the following year.

Year 4: Technology plan was reviewed, Technology Staff hired to improve use and accessibility of technology for staff and students
